### Updates since the previous issue:

**Support for Pupils with SEND**
The Peterborough SEND team have put all their resources in **one location**. This includes the new Education Psychology Service booklets (broken down into 3 different packs - one for professionals, parents and young people) on our new SEN and Inclusion COVID-19 LO page which includes bereavement support. The team have also produced an excellent Covid-19 update and support pack which will be updated regularly – the current version of this can be found [here](#). This will be updated regularly so please check the home page in the first link for updates.

Where useful contacts and links are available, these will be found at the top of the page.
