To the parents/carers of Free School Meal children

People & Communities
Education Directorate
Jonathan Lewis
Service Director: Education

Dear Parent / Carer,

Following the success for the Easter Holiday Activities and Food (HAF) Programme, Cambridgeshire County Council and Peterborough City Council are pleased to be working once again with local schools, voluntary and community organisations, and childcare providers to deliver the Holiday Activities and Food (HAF) Programme, thanks to Department for Education funding.

The programme, which is open to children who receive benefits-related Free School Meals to attend if they wish, will run for four weeks in the Summer holiday, and will provide children with healthy food, and fun activities and sports.

For more information about the Summer holiday programme, including how to find out if your child is eligible for a HAF funded place and details on how to contact your preferred provider to book your child's place, please visit:

<https://www.cambridgeshire.gov.uk/news/holiday-activities-and-food-programme>

Places funded through the programme are limited so please contact your preferred provider to book a place as soon as possible. If you book a funded place, it is important that your child attends; the provider will be in contact with you if they don't. Please do encourage your child to attend for as many of the booked sessions as possible. We have had some excellent feedback from parents, children and providers that took part in the Easter delivery of the programme.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Jonathan Lewis".
