# Cambridge (Blue) English Trail

Name(s): _____

Date: _____

1. Cambridge Guildhall - Look up to find the Cambridge Coat of Arms and write a list of all of the things you can see contained within it. Why do you think these objects have been chosen to represent Cambridge? What do you think the boats tell us about Cambridge's history?

2. Great St Mary's Church - Find the white visitor sign. What <u>three</u> types of gatherings have the University used Great St Mary's for over the centuries?

Now find the disk that marks the datum point. What did William Warren use this for?

3. 3D model - Senate House Hill - How is 'police station' written in Braille? Can you use the model to work out how to write your own name in Braille?

4. Trinity Street - Outside which shop is there a coat of arms with four lions on it? Locate the oval plaque above the shopfront. What happened opposite this site in 1583?

5. St John's Street - Find the map of the city. How many bridges are shown on the map? What are they called? Record the grid references for each bridge you find.

6. **Trumpington Street** - Locate a blue plaque to help you answer the following: Which famous scientist was born in 1912? How old could he have been when he passed away? What do you think 'computer pioneer' means?

7. Corpus Clock - Who designed the clock? This particular clock doesn't have any hands or digital numbers. Explain how it shows the time.

Extra challenge: How many different coats of arms can you find in the city centre? Draw each one on the back of your answer sheet. Have a competition to see who can find the most**!**
