

Burwell House

Cambridgeshire
County Council

Burwell House Residential Centre provides a wide range of activities focused on outdoor learning for primary school children, promoting learning out of the classroom.

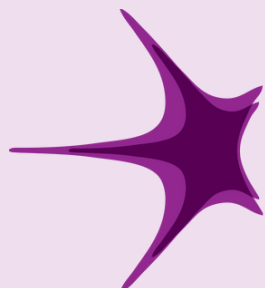

Activities include:

- Real Orienteering, Team Building, our new adventurous Low Ropes Course, all encouraging children to develop their independence and resilience.
- Fun indoor sessions include our fully equipped Television Studio, which gives children a fantastic opportunity to create and film a 'news programme' on a subject of their choosing.
- Burwell Outreach Courses, including our immersive WWII Evacuation Experience, discovering how life would have been as an evacuee from London during the 1940s.
- A selection of Geography, Rivers and Habitat day courses available at both Burwell House and Sacrewell Farm.

All courses and activities provide a unique, fun day outside the classroom, covering areas of the curriculum which may be challenging to cover in school.

MUSIC

Cambridgeshire Music is the Music Service for the County coordinating provision of music education and arts therapies. We make high quality music happen all across Cambridgeshire for young people and families – both in and out of school. We organise thousands of music lessons, bands and projects in all styles of music, as well as arts therapies for all ages.

Activities include:

- 1-2-1 Instrumental & Vocal Lessons
- Creative Arts Therapy
- Classroom Curriculum
- Instrument Hire
