Dear Headteacher,

I would like to take a moment to thank you personally for agreeing to keep your educational setting open over the Easter Holidays.

As you will know all of our NHS staff across Cambridgeshire and Peterborough are working incredibly hard to continue to care for and protect patients and their families during the COVID-19 outbreak. In volunteering to work over the Bank Holidays and throughout the Easter period, you and your colleagues are making an outstanding contribution to our local COVID-19 response, by keeping children of key workers in your care so that their parents and guardians can continue their efforts during the Easter period.

This will make a huge difference to hundreds of parents working in our local NHS system, who can now go to work over Easter secure in the knowledge that you are providing safe care for their children.

On behalf of everyone working in the NHS in Cambridgeshire and Peterborough, I would like to offer my sincere thanks for your support.

Yours sincerely

Jan Thomas  
**Accountable Officer**
