

Childminding

A rewarding career

Childminders are childcare professionals employed in their own home to care for children. Educating and supporting children to grow and develop essential life skills.

Childminder qualities:

- ♥ Passionately believes that all children deserve the best start in life
- ♥ Able to professionally manage their own business
- ♥ Committed to providing quality care and education
- ♥ Enjoys working with young children and helping families
- ♥ Yearns to be a valued contributing part to their community

Learn about childcare careers

At our regular briefing sessions, we will provide you with all the information you need to determine if the childcare profession is the right choice for you.

Discover what it means to be a childcare professional, explore training opportunities, and how to register.

To assist you in establishing your childminding business, the Government is currently offering a £600 grant towards your initial start-up costs for all Ofsted registered childminders.

All newly registered childminders are eligible for assistance from a PACEY Childminding Support and Development Officer, plus training and professional opportunities.

PACEY

PACEY is a charity dedicated to supporting everyone involved in childcare and early education to provide high quality services, information and advice to children, their families, and carers.
