

Home Learning Hub

Treasure Trail

Activities for older children or for families to try together!

#FindLookTry

Treasure Trail

- There are nine levels of challenges in the **Treasure Trail**. On each level you will need to follow a series of links from the Home Learning Hub website: <https://www.cambslearntogether.co.uk/home-learning>
- Each level contains a question to answer and an activity to try.
- If you would like to record each activity that you complete, you could create your own **Treasure Trail Booklet** using plain paper. Or you could post a photo online with the hashtag **#FindLookTry**
- Remember to always stay safe online. For more information visit <https://www.cambslearntogether.co.uk/home-learning/computing>

#FindLookTry

Treasure Trail Level 1

- Start on the Home Learning page
- Visit the 'Other Subjects' page and *find* the link to '**Draw with Rob**'
- Open the link and *look* at the list of Rob's videos. What does Rob teach you to draw in the first video?
 - a) Gregosaurus
 - b) Kevin
 - or
 - c) Alien
- *Try* and join in and Draw with Rob to draw something new.

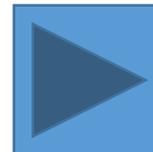

#FindLookTry

Treasure Trail Level 2

- Start on the Home Learning page. Then visit the ‘Challenges’ page.
- *Find* and open the ‘**Literary Characters Challenge**’. See how many of the characters you can name.
- *Look* at the pictures of the characters. How many of them are dogs?
a) Four b) Six or, c) Three
- *Try* and make your own quiz, based on your favourite books, for your friends or family to answer.

Treasure Trail Level 3

- Start on the Home Learning page. Visit the ‘Wellbeing’ page and *find* the link to **Nuffield Health** in the ‘Resources to Support Wellbeing at Home’ section.
- Open the link and download the ‘My Wellbeing Fact File’.
- *Look* at the information about hydration on Fact Sheet 1. Complete the sentence “Being well hydrated can boost our mood, energy levels and _____.”
a) Concentration b) Sleep or, c) Health
- *Try* one of the activities in the Fact File, such as the hot air balloon card on Fact Sheet 3.

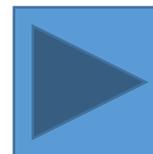

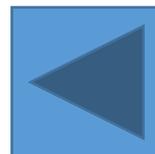

#FindLookTry

Treasure Trail Level 4

- Start on the Home Learning page. Then visit the 'PE' page and *find* the **National Trust's 50 Things to Do Before You're 11 $\frac{3}{4}$**
- Open the link and *look* at all of the 50 things they challenge you to do. Count how many of the challenges you have already completed already. Have you completed:
a) 0 – 10 b) 11 – 24 or c) 25 or more?
- *Try* something new from the list when you next go out into your garden or on a walk in your local area!

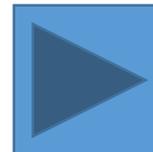

#FindLookTry

Treasure Trail Level 5

- Start on the Home Learning page. Then visit the ‘Competition and Projects’ page and *find* the **Outdoor Art Project**
- Click on the link to open the Outdoor Art Project. On the first page of the challenge you will find a link to an artist, called James Brunt.
- *Look* at the artwork on his website and answer this question. What kind of art does James Brunt make?
a) paintings b) sculptures or, c) sketches
- *Try* and make patterns using the materials you have at home!

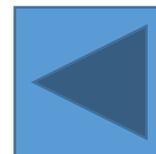

#FindLookTry

Treasure Trail Level 6

- Start on the Home Learning page. Then visit the 'Science' page and *find* the link to the **Science Museum** games and apps.
- Click on the link to open the Science museum page; there you will see the game 'Launchball'.
- *Look* and see how many 'obstacle-filled levels' are there on this game. Are there:
 - a) Ten? b) Twenty? or, c) Thirty?
- *Try* and complete some of the levels in Launchball. Then create your own Launchball level for someone else to try.

#FindLookTry

Treasure Trail Level 7

- Start on the Home Learning page. Then visit the 'English' page and *find* the link to the **Book Trust** in the 'Have Fun With English' section.
- When you open the link, *look* to the bottom of the page for the 'Book-themed recipes'.
- Who is the inspiration for the chocolate moose recipe?
a) Greedy Goose b) The Gruffalo or, c) Goth Girl
- *Try* to cook or bake your own book-themed food using one of the recipes on this page, or using a cookery book at home.

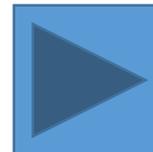

#FindLookTry

Treasure Trail Level 8

- Start on the Home Learning page. Then visit the 'Maths' page and *find* **The Mathematical Mansion** activity.
- Open the challenge and *look* carefully on the second page of the challenge. How many rooms are there in the mansion?
a) Eleven b) Twelve c) Thirteen
- *Try* and complete some of the challenges in the Mathematical Mansion or create your own mathematical challenge for someone else to solve.

#FindLookTry

Treasure Trail Level 9

- Start on the Home Learning page. Then visit the ‘Computing’ page and *find* the **Make Your Own Google Doodle** activity.
- Open the link and watch the video. *Look* carefully, as Olga describes the activity to you. How many sprites can you programme?
 - a) Four
 - b) Five
 - c) Six
- *Try* and make your own unique Google Doodle using *Scratch!* Or go back to the Computing page on the Home Learning Hub and explore a different coding activity.

#FindLookTry

Congratulations!

You have completed the
Treasure Trail
