

My Individual Child Plan (ICP)

The ICP should be created and implemented alongside the Enhanced Support Strategies document

Child's Name:	Date of Birth:	Age in months:	Name of Setting/Childminder:
Date plan created: (in partnership with Parents/carers)			ICP Review Date:

Assess		
My Current Strengths	My Current Interests (including schema)	What areas of development do I need help with most, now? (Consider this holistically including the viewpoints of the child, parents/carers and setting in the context of the child's strengths, interests, barriers to learning, current needs, transitions etc.)

PLAN In partnership with parents/carers identify a number of short term targets		DO Implement Targets		REVIEW Summarise progress from the information on 'MY ICP Tracking Sheet'
Target Number	I will be able to.....	Who will help me?	How will the adult support me?	How did I do?

This form should be used alongside the enhanced support plan to identify individual targets for the child to support their learning and development.
