Spidergramme

Used to brainstorm attributes associated with a word

- The target word is written in the middle
- Nouns are written on the outside segments with a picture placed just outside the circle
- Adjectives are added to describe
  - How it feels
  - How it tastes
  - How it smells
  - How it looks
  - How it sounds
- Use the same structure each time
- Some sections may not have words due to the word in the centre.
