

What can I do if I get stuck on a spelling?

- Put in enough letters to do for now, underline it and come back to it later.
- Or try three ideas listed here.

1. Try using phonemic strategies. Say the word and segment the phonemes. Split a longer word into syllables.

2. Think about the words that sound the same. Can you use what you know about spelling similar words?

3. Look at your spelling log, word banks or displays in the classroom.
