Version 6.0 April 2023

Cambridgeshire's SEND (Special Educational Needs and Disabilities) Specialist Services 0-25 years provide a range of professional services for children, young people and families in a wide range of educational and community settings. We use the expertise of an incorporated multi-professional service (consisting of psychologists and educational professionals) to offer schools and settings a bespoke approach to removing barriers to learning (including academic, social and emotional barriers).

Additionally, we offer a range of packages that schools and settings can commission from our teams. We work collaboratively with schools to support a range of needs and priorities, drawing upon theory and research of 'what works' to develop an understanding of complex situations.

We take a positive, solution-focused approach to our work, which means we are interested in moving forward and enabling schools and all pupils to achieve their potential.

The following information gives details of the enhanced support that schools and settings are able to purchase from SEND Specialist Services, subject to capacity within the teams. This information will be updated at the end of the academic year 2020.

Time allocation

Schools may wish to use their Specialist Teacher (ST) or Educational Psychology (EP) hours to 'fund' training. Courses will state how many hours are needed. Schools can still purchase training on top of their time allocation; a price is quoted for all courses.

Open Courses

Open courses are those where SEND services provide the venue and there are additional costs beyond that of the ST/ EP time. These courses are charged for and the cost appears in the brochure. Should a cluster of schools wish to host an open course, this can be discussed with the SEND Training team to explore whether the course can be delivered through time allocated hours rather than a fee being charged.

AET Professional Development Programme for <u>ALL</u> educational settings				
AET 'Anxiety Module'*	For staff working with autistic pupils who present with anxiety. This training can be tailored for staff working in Early Years settings, mainstream schools, specialist schools and Post-16 settings.	After completing this module, you will be able to understand: <ul style="list-style-type: none"> • How autistic children and young people (CYP) CYP might express anxiety. • What can cause anxiety in autistic CYP. • What you can do to prevent and reduce anxiety in autistic CYP. 	2-hour training module. Can be delivered as 2 twilight sessions.	Whole school £200 or 4 hours of SEND time.
AET 'Exclusions Module'*	For staff working with autistic pupils who present with distressed behaviours that are putting that pupil at risk of exclusion. This training can be tailored for staff working in Early Years settings, mainstream schools, specialist schools and Post-16 settings.	This module on exclusion and autism will provide delegates with an idea as to what the key causes are of autistic children and young people being excluded from school, and how staff can prevent exclusion occurring or, when it does occur, provide support for the CYP's successful return or transition on to their next placement.	2-hour training module. Can be delivered as 2 twilight sessions.	Whole school £200 or 4 hours of SEND time.

Communication and Interaction

Intervention	Who is it for?	What is it aiming to achieve?	Delivery and effectiveness	Costing
AET 'Progression Framework' *	This training provides an overview of the autism progression framework (an interactive tool which is available free from the AET website). This half-day session is suitable for practitioners working with children on the autism spectrum in both mainstream and specialist services.	Understanding of how the progression framework relates to the broader educational context. Familiarity with the content and key features of the progression framework. Skills in identifying learning goals and measuring progress for pupils on the autism spectrum in areas specific to their individual needs.	Half day training course.	Whole school £450 or 8 hours of SEND time. Open training £60 per delegate.
AET Professional Development Programme for Early Years settings				
AET Early Years 'Making Sense of Autism' *	This is a raising awareness module for anyone working in early years settings. This includes teaching and support staff, office and ancillary staff, caterers, caretakers, transport staff and governors	The module provides an introduction to autism and some initial reasonable adjustments that need to be considered when working with autistic children.	One session lasting 90 minutes.	FREE

<p>National Award for SEN Co-Ordination</p> <p>(For more information please contact Dr Rebecca Doyle on 01353 612802 or 07500890064)</p>	<p>Who is it for?</p> <p>SENCOs and aspiring SENCOs who hold QTS.</p> <p>This course is delivered in partnership between SEND Services, Eastern Partnership (SEND) UK and the University of Hertfordshire.</p> 	<p>This is a mandatory qualification for all new-to-role SENCOs in all schools and academies who must complete the award within 3 years of taking up post.</p> <p>The qualification is a postgraduate 60 credit award at Master’s level. Participants engage in a balance between practical tasks and theoretical underpinning throughout.</p> <p>Participants can progress to a Master’s in educational leadership or Master’s in SEND following completion of the National Award.</p> <p>Accreditation is from the University of Hertfordshire.</p>	<p>There are seven taught days over one academic year. Participants have an individual supervisor/tutor and need to complete two assignments, one of which is a small scale research project. Tutors are from the Strategic SEND Support team and regularly work as practicing SENCOs in Cambridgeshire schools.</p> <p>All work is externally quality assured and participants are expected to comply with BERA (2018) ethical practices.</p>	<p>“I [wanted] to say how valuable I am finding the course, not just the content but also your knowledge and expertise. In fact it is your breadth of knowledge and style of teaching in delivering the course that is making it so accessible and motivational”</p> <p>“I feel that the course has provided access to a variety of rich, informative readings, legislation and policies to further inform my practice. I feel it has opened my eyes to different strategies to ensure impact and cater to the needs of the learners”</p>	<p>Cost of course is £1925+VAT Applications for the September 2022 start within Cambridgeshire should be made direct to: http://easternpartnership.co.uk/training/national-award-for-sen-coordination/</p> <p>For further information please contact Rebecca.Doyle@Cambridgeshire.gov.uk or 07500 890064</p>
<p>AptGO SEN Audit Programme</p>	<p>Who is it for?</p> <p>School Leadership Teams including SENCO and HT, and governors working in partnership with a trained facilitator from Strategic SEND Support Service.</p>	<p>The AptGo is a fully facilitated self-evaluation discussion and audit tool set in the context of the Ofsted framework, with a focus on SEN. The facilitated full day session will focus on evidencing where the school SLT and governors feel they are currently, and what steps they need to take strategically to move to Good and Outstanding judgements. At the end of the day, the school should have a number of key action points for strategically achieving high quality provision for all children and young people in their setting who have SEND.</p>	<p>Delivery is through facilitated discussion over one day.</p> <p>As part of the ongoing support, a minimum of two follow up contacts are made in the terms following the AptGO initial contact day. These can be with only the SENCO, but other leaders are welcome to join.</p> <p>The facilitator will be a member of the Strategic SEND Support team.</p>	<p>There is no charge currently for Cambridgeshire maintained primary schools or academies. For all other settings the cost of the AptGO resource pack and facilitation of the day will be charged for.</p> <p>For further information please contact Rebecca.Doyle@Cambridgeshire.gov.uk or 07500 890064</p>
