

# Chatteris Questions

**1. Library** - Is the library open for longer on Tuesday or Wednesday? How many years ago was the library opened by Mrs Norma Major? Give your answer in years, months and days.

**2. Jubilee Gardens** - Find the clock with Roman Numerals and record the time (use the 24 hour clock if you can).

**3. Post box** - Look at the large building opposite the post box. Can you find an acute, obtuse, and right angle? Sketch and label the different shapes and angles you see.

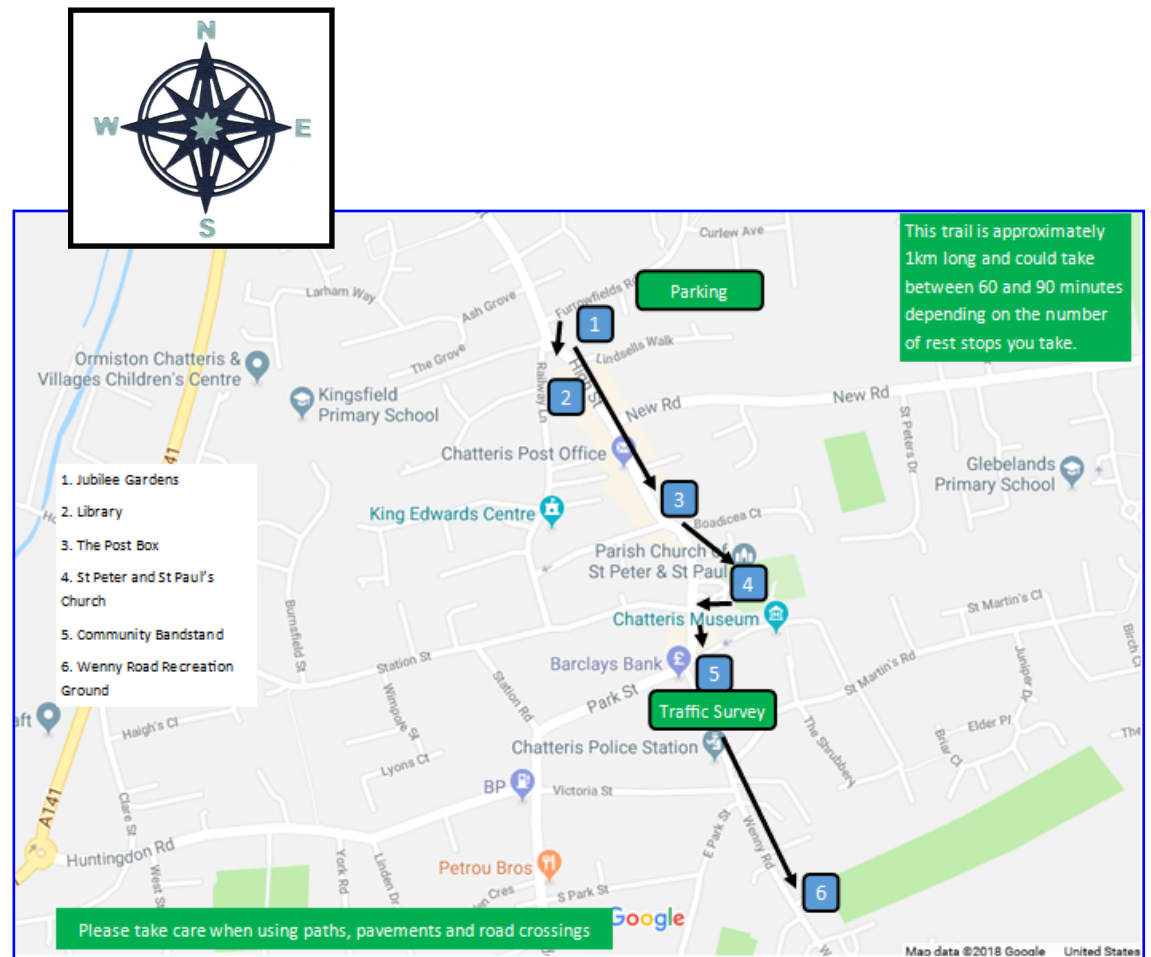

**4. St Peter and St Paul's Church** - Is the height of the flag pole closer to 0.5m, 5m or 50m? How do you know?

**5. Community Bandstand** - How many children can sit together on a bench? How many benches would be needed for the whole class?

**6. Wenny Road Recreation Ground** - Estimate how far apart the black bollards are using your stride length. Use this to estimate the total distance between the first and last bollard in each section of path.

Name(s): \_\_\_\_\_

Date: \_\_\_\_\_

**Extra challenge:** On your trail you will find or pass several plaques and signs which record a year in which a historic event happened. Record each year that you see and then write them in chronological order from the oldest to the most recent.
