

Huntingdon Questions

- 1. Bloomfield Park** - Sketch and label all the different types of shapes and angles you can see in and around the bandstand.
- 2. Riverside walk** - Between the white bridge and the third bench as you walk along the path by the river, find the tallest tree and estimate its height.
- 3. 'Discover Huntingdon for yourself' map** - Describe the driving route from the bandstand to the beacon at Castle Hill.
- 4. Huntingdon Castle** - How long ago was the castle built?
- 5. St Mary's Church** - Create your own mathematical question based on what you can see.
- 6. Bus Station** - Choose a departure destination. If you take the next bus to depart, how long will the journey be and how many stops will there be?
- 7. Huntingdon Library** - For how many hours is the library closed each week?
- 8. Town Hall** - How long had Huntingdon been a borough when Oliver Cromwell was born?

Name(s): _____
Date: _____

Extra challenge: On your trail you will pass several plaques and signs which display the year in which a historic event happened. Record each year that you see and then write them in chronological order from the oldest to the most recent event.
