Knowledge Hub Guide

Below you will find a guide designed to help schools through the process of registering for an account on Knowledge Hub to join the Cambridgeshire Religious Education Advisory Service (CREAS) group.

Knowledge Hub is a new online portal being used by Cambridgeshire County Council as a platform for a more modern method of updating customers with news and information directly relevant to them. As a result, the Cambridgeshire Religious Education Advisory Service will be using Knowledge Hub to upload downloadable resources for RE co-ordinators and teachers of RE within Cambridgeshire. It is hoped that this group will allow for greater interaction not only between the RE/SACRE Adviser and teachers but also amongst RE teachers themselves. The group hosts a variety of facilities such as forums, libraries and even blogs.

CREAS would like to update the current practices of RE to be more in line with the modern world and Knowledge Hub acts as an excellent facilitator of these goals.

If you have any questions regarding any of the content explained in this guide then please do not hesitate to contact us on <u>RE.SACRE@cambridgeshire.gov.uk</u> or 01480 379668.

Step 1) Register

Due to the fact that the CREAS group is a closed group, anyone wishing to become a member must first register an account on Knowledge Hub. The screenshots below outline the registration process.

To register please click on the following link https://khub.net/register

Please register using your details, it is preferred that you use your own individual school email account so that you can receive any updates we make to the group directly e.g. joe.bloggs@meadowfield.cambs.sch.uk
