The toolkit is designed to be used by a school/Trust by itself as far as possible, but some sections, in particular the audit, branding and job satisfaction sections, are likely to be more effective when conducted by someone from outside the school/Trust. We are able to offer support with this:

### ‘What kind of employer am I?’

- Initial meeting with Headteacher to discuss the areas of focus.
- Producing a survey and running activities at a staff meeting
- Analysis of results
- Production of a report on the findings, with recommendations for next steps.
