

Ormiston Meadows Primary SEND Hub for children with Physical Disability

Ormiston Meadows Academy is commissioned by Peterborough City Council to host a Special Educational Needs and Disabilities (SEND) hub focussing on Physical Disability. We work to raise the quality of support for all children and young people with SEND in the Peterborough area and to promote the “SEND is everybody’s Business” approach.

We also offer a small number of hub places for children with Education and Healthcare Plans placed by Peterborough City Council.

Further information on the Peterborough SEND hub network and details of how children are given a hub place is on the Local Offer

Peterborough Local Offer

What does Ormiston Meadows offer?

- **To improve support across Peterborough:**
 - Training in topics around physical disability for colleagues working in settings across Peterborough.
 - Resource ‘Lending Library’.
 - Support for individual schools in relation to children and young people with physical disabilities.
 - Collaboration with physiotherapy, occupational therapy, speech and language therapy and other Health professional services.

- **For our children:**

- Inclusive SEND provision for learners with physical disabilities
- Children are taught in a mainstream classroom with full access to the mainstream curriculum.
- Access to skilled staff, specialised equipment and individualised learning and therapy programmes.
- Hub places are available for children (with an EHC plan) through the SEND Panel.

How do we support children and young people in Peterborough with physical disabilities?

- Staff with experience in supporting the needs of children and with physical disabilities.
- Tailored classroom support to ensure the learning and progress of all children with physical disabilities.
- All children supported by the hub have a key member of staff who ensures that the child's needs are met in a holistic fashion, including working with other agencies to develop provision.
- Trained staff deliver 1:1 interventions as advised by physiotherapy, occupational therapy, speech and language therapy services
