

Charges for Schools 2024-2025

Activity/Service/Product	Cost to Subscribing Schools	Cost to Non-Subscribing Schools
Subscribing schools may select either consultancy or a course as their main subscriber benefit. Discount codes for courses will be issued at the point of subscription. Details of courses will be sent to all schools and are available to view here.		
School Consultancy Typically one-to-one with head teachers or PSHE leads to assist in review, evaluation or planning.	Option 1: Subscribers may opt to have the first three hours without charge and thereafter £130 per hour.	£150 per hour
PSHE Courses Reduction for subscribers on individual attendee costs.	Option 2: Subscribers may opt to take one course place free of charge. Subsequent courses or places will be charged a reduced rate. One day course exemplar cost: £115	One day course exemplar cost: £130
School Based In-service Training This will typically involve all school staff or groups of staff. With the agreement of the PSHE Service, schools may collaborate to share training, but note that the reduced cost will only apply where all participating schools are subscribers.	£130 per hour, or part thereof, with a maximum charge of £550 per whole day.	£150 per hour, or part thereof, with a maximum of £600 per whole day.
Parent/Community Events Events on school identified themes such as Drug and Alcohol Awareness, Relationships and Sex Education etc.	One event at a charge of £175 each subscription year. Subsequent events £200.	£200 for all events.
Life Education Visits	Reduced daily rate to be confirmed.	Daily rate to be confirmed.
PSHE Service Publications		Full price charged.
