

# St Ives Questions

Name: \_\_\_\_\_

Date: \_\_\_\_\_

- 1. Bus Station** - Find the timetable at bay 2. What time does the first bus arrive on a Friday morning? When does the last bus leave on a Friday? How much time passes between the first and last bus on a Friday?
- 2. Town Timeline**—How many years are there between Henry I granting St. Ives a fair charter and John Wesley visiting the town to preach?
- 3. The Free Church** - What is the time on the Free Church clock? Look at the hour and minute hands , what type of angle are they forming?
- 4. Free Church Passage**—Looking at the side of the church. How many symmetrical shapes can you see? Sketch or photograph them.
- 5. The Quay** - Look across to the bypass bridge—Does more traffic come into St.Ives or leave in the time you are doing your traffic survey? How many of each type of vehicle enter and leave the town?
- 6. The Old Bridge** - Pace out the length of the bridge from London Road to Bridge Street and then convert your paces to metres.
- 7. The Broadway** - Estimate the height of the memorial.
- 8. The Waits**
  - a) How many benches would you need for everyone in your class to be able to sit down? Explain how you know
  - b) Stand underneath the bandstand and identify as many different 2D and 3D shapes that you can see.

**Extra challenge:** On your trail you will pass several information boards. Each board explains different events in St.Ives past. Record as may dates as you can from the boards you see and then place the dates in chronological order.
