

Cambridgeshire County Council Virtual School Management Board (VSMB)

Corporate Context:

The Virtual School is a statutory local authority service. The Management Board is a voluntary body, who commit time to support, challenge, influence and champion the work of the Virtual School, aiming to further impact. The board has no formal or legal power.

Virtual School Vision:

All our children will have the loving support, opportunities, and experiences to learn, achieve, dream big and thrive as they grow up.

This aligns with Cambridgeshire County Council's ambition 7 'all children and young people have opportunities to thrive' and the County Council's practice approach 'thrive'.

The vision is achieved through:

Learn... Ensure all our children access and engage with well-matched education, while supporting professionals to meet their individual needs

Achieve... Monitor attainment, attendance, and engagement to support professionals and allocate resources effectively

Dream big... Empower adults to hold the highest aspirations for our children and seek and promote additional opportunities for them

Thrive... Motivate and equip all adults to adopt a relational approach

Children we care for:

- Children previously in care

- Children in Care
- Children in Kinship Care
- Children with a Social Worker
