Water can be dangerous. You can drown.

If you are around water, you must follow the water safety code.

Stop and think.   Look for dangers.

Stay together.   Go with family or friends.

999

If in danger, call 999.

If you fall in the water, float on your back and call for help.

If you see someone else fall in the water, throw something that floats to them.

This can help them.
