- 1. Bus Station**—Look at the electronic bus timetable display. How long do you need to wait until the next bus departs? What shape are the benches in Horsefair? How could you estimate how many people would fill the bench? Record the time in analogue and 24 hour form.
- 2. St Peter's Church**—Record the time shown on the clock face. How much time has passed since you were at the bus station?
- 3. Museum**—What would be a good way to estimate the number of panes of glass used in the windows?
- 4. Castle**—For how long was the building in use as the Bishop's Palace?
- 5. Library**—Is the library open for longer on Tuesday or Saturday? By how much?
- 6. War Memorial**—Approximately what fraction of the total number of names on the war memorial are displayed at the front? What is the most common first name displayed on all of the sides?
- 7. Clarkson Memorial**—Look at this monument. Can you find an acute, obtuse and right angle? Sketch the different shapes and angles you see and name them.
- 8. Wisbech Lions Gardens**—How old was William Carlisle when Elizabeth Carlisle was born?

Conduct a traffic survey. Decide which information to collect and how to record this so that you can present and analyse your data later.

Extra challenge: On your trail you will find or pass several plaques. Each plaque records a year in which a historic event happened. Record each year that you see and then write them in chronological order from oldest to most recent event.
