LGSS Law

Our team of Solicitors, Barristers, Legal Executive and Paralegals work on areas of practice such as Contract and Commercial Law, Procurement and Governance. Supported by the practice management team, the wide range of team members enables us to undertake work at the right level and cost.

LGSS Law is supported by an experienced practice management team who ensure that our lawyers are able to work efficiently and focus on adding value. The practice management team also manage billing and administration to ensure that clients receive regular information about their cases. LGSS Law has, over a number of years, consistently achieved LEXCEL accreditation, which is a quality mark developed by the Law Society of England & Wales. The team has been assessed as having high standards of practice management and administration.
