The Cambridgeshire School Improvement Board (CSIB) brings together representatives of all phases with FE, the Teaching School Alliances, school partnerships, the Diocesan Authorities, the universities, elected members, governors, the teacher unions and the Regional Schools Commissioner.

The aim of the Board is to ensure that all of these groups work together to meet the County's priorities. Its key objectives are:

- **Define and promote a Cambridgeshire entitlement for leadership development.**
- **Commission programmes to accelerate the achievement of our disadvantaged groups.**
- **Champion raised aspirations for Cambridgeshire, to include a cultural entitlement for all children.**

Please click on the categories below for details of the projects and their progress.

Bids were for amounts of money between £5000 and £10,000, and the projects intended to last for a year or less.
