LGSS Learning and Development have now integrated our booking system to a different Learning Management Systems (iLearn) for all the Social Care Workforce Development including Adults Safeguarding and Children’s Early Help. You can now view and book the full offer available from LGSS Learning and Development on iLearn http://lgss.learningpool.com/.

If you do not already have an iLearn account, you will need to create one to book a course. In order to do this simply select the course you want to book, click 'Create new account' and follow the instructions. By doing this you will now have access to your personal learning record which will include all eLearning and face to face courses. Social Care courses will only be included for attendance from the 19 February 2018.

If you need any further information, help or support please contact the Learning and Development team at LGSSLearning@cambridgeshire.gov.uk

Working in the Children and Families Sector it is important that you are able to evidence that your practice is informed, evidence based and meeting current standards. Our website is set out to enable you to be able to identify the training that will best meet your needs.

We deliver and commission a variety of learning and development opportunities to those working with Children, Young People and Families in Cambridgeshire; this includes staff within Cambridgeshire County Council as well as partner agencies.
